

Georgia Environmental Health Association (GEHA)  
**Annual Education Conference**  
**2020 Sponsorship Packet**

**Join GEHA's membership May 27- 29, 2020  
at the Lake Lanier Islands, Georgia!**

**PROMOTE – SHOWCASE – NETWORK – CONNECT**

GEHA's goal is to promote education, training and the sharing of ideas between different agencies and individuals to bring about a better environment for all Georgians. The Annual Education Conference (AEC) is the premier standard of environmental health training in Georgia. Your participation will connect you with professionals and industry experts who are engaged and ambitious about promoting the ideals of environmental health in the State of Georgia, the Southeast, and the U.S.

Your company will gain exposure to environmental health professionals in both public and private sectors from directors and decision makers to the specialists on the street – the target audience you need to establish the right connection to help achieve your business goals. Your brand and products will be directly in front of 250+ potential partners and customers – with indirect reach to thousands of Georgia consumers and business owners. Showcase your organization to potential clients face-to-face and demonstrate your services!

**250+ MEMBERS**

Our membership is a collaborative community of professionals representing the private industry, academia from Georgia's colleges and universities, and environmental health regulators from the local, state and federal levels.

**20+ AEC SPEAKERS**

Leaders who inspire, motivate and educate on best practices, hot topics, new processes and more. There are panel presentations, interactive discussions and tabletop exercises included in the creative layout of this conference.
